HOLLOWAY'S PILLS.—The stomach, by the chemi cal agency of its solvent fluids, converts the food in-to crude blood : the liver furnishes a secretion which its it for the venous system; the lungs vitalize it.

If the stomach is diseased, it cannot produce a healthful element, and if the fountain of life is infected, all the streams that flow from it must be poisoned. It is upon the stomach, the great feeder poisoned. It is upon the stomach, the great feeder of the system, the manufacturer of the aliment which subsequently becomes bone, muscle, sinew, and flesh, that Holloway's Pills exercise their salutary influence, carring indigestion in all its shapes, and thus giving a vigorous tone to every dependent organ. This is the philosophy of the rapid and thorough cures of all the varieties of internal di sease accomplished by this powerful remedy.

Jaundice, Dyspepsia, Loss of Appetite, General Debility.

O medicine in the country has obtained so great a celebrity in so short a time as has atgreat a celebrity in so short a time as has attended this wherever introduced. Its marked and immediate effect is observable in every instance on the Liver and Blood. Arousing the former to a ealthy action, correcting all the secretions and urging the latter of all its impurities and driving all its humors to the surface. The Blood is truly out all its humors to the surface. The Blood is truly the Life. Cleanse that and you are then in a position to restore the weak and languid patient to health. Use Dr. Jacob's Bitters—use them freely—use them with entire confidence of certain and permanent success. I care not how impure your blood may be, how long you may have suffered from a torpid Liver, nor to what extent Dyspepsia in its many forms may have ravished your health. Dr. Jacob's Bitters with China you it was continued to use They are WILL CURE YOU IF YOU CONTINUE TO USE THEM AC ponding to the Disections.
